Procedure

- Divide your class into two groups, one of boys, one of girls.
Point to the girls wearing skirts, shirts, sweaters, trousers... Point to the boys wearing jeans, T-shirts...
Say: *She's wearing a skirt/he's wearing jeans*. Describe your own clothes: *I'm wearing jeans and a T-shirt*.
Ask : *What colour is X's T-shirt ?/what colour are Y's trousers ?* Tell them the answer: *it's white/they're blue*.
Then ask the children to work in pairs to check that the colours are right.
- The children will then listen to the chants. Split up the phrases to make it easier for them to learn. Then they can join in. Help them keep the rhythm by clapping.

The boys will chant *She wears short shorts*

She wears shorts (*clap, clap, clap*) short shorts
 She wears shorts (*clap*) short shorts
 She looks good (*clap*) in her short shorts

 (You'll hear more verses on the CD.)

Once they know the chants they can sing them together.
 Give the children the written names of the chants and tell them they will need the words to complete the crossword on the worksheet.

- **Puzzle.** Hand out the worksheet and explain that the words are in the chant and that the pictures will help them to find the words. Three words have the letters ER in common. (The words are: winter, summer, sweater, shirt, shorts, T-shirt.)
- Complete page 6 of notebook.
