Publications

APIRS Newsletter

Published 3 times a year

When was the association established? July, 1989

Number of members: 650

In what ways has your association developed since it was founded?

From 40 to 650 members; no publications, now we have books and newsletter; it had no events, now we host the biggest event in the south of Brazil.

How would you describe your main activities?

Yearly conference, newsletter, sharing and bringing people together.

Apart from our annual convention, we are planning to have more and smaller events throughout the year, not only in Porto Alegre but also in the country side. We also want to publish a book every two years.

What is the purpose of APIRS?

To promote professional and personal growth of EFL teachers in Rio Grande do Sul.

Promover e estimular a qualificação, o continuado aprimoramento profissional e o crescimento pessoal de docentes da língua inglesa no sul do Brasil, através de cursos e outras atividades pedagógicas, tais como publicações e comunicações interativas.

How can teachers join?

Just register, any professional from any field, no graduation necessary. Information and form is provided in our web site.
