[braztesolmanaus@yahoo.com](mailto:braztesolmanaus@yahoo.com)

**Number of members:** 100

### **How would you describe your main activities?**

As the Chapter is still in formation, our main activity is to show the ELT community in our locality the opportunities for professional development they will have once they take part in our events and become BRAZTESOLers.

### **How can new members join?**

Through the website ([www.braztesol.org.br](http://www.braztesol.org.br)) and on the day of the local events.

### **Briefly describe the purpose of your association.**

Aims:

- to foster and support research in the field of English teaching
- to support teacher development programs in all types of teaching institutions in Brazil
- to promote studies in the area of English teaching and related fields, such as applied linguistics, sociolinguistics, use of technology and second language acquisition
- to establish and maintain contacts with similar associations in other countries, especially TESOL (US), IATEFL (UK) and Southern Cone TESOL, which brings together Brazil Uruguay, Paraguay and Argentina.
- to organize national and regional Conventions, meetings and seminars on topics related to the teaching of English in Brazil .

### **When were you established?**

November, 14th 2008.

### **What is your present membership fee?**

R\$ 50,00 per annum

### **In what ways has your association developed since it was founded?**

The number of members has grown and we have established new partnerships since our first event last November, 2008.
