

<p>The Story of St George and The Dragon</p>	<p>1</p> <p>A long time ago, in a faraway land, lived a dragon. It was big and strong, cruel and hungry ... always hungry.</p>
<p>2</p> <p>The people from the village were afraid. They didn't want the dragon to attack them. But they needed to give the dragon some food.</p>	<p>3</p> <p>Together, the people of the village made a plan. Every day they gave the dragon two sheep. The dragon ate the sheep and didn't attack the village.</p>
<p>4</p> <p>After some time, the village people saw that there weren't many sheep left. They decided to give the dragon one sheep each day ... and one person.</p>	<p>5</p> <p>Every morning they chose the person in a lottery. Nobody wanted to win this lottery but when a family lost one of its members, the village gave it lots of riches.</p>
<p>6</p> <p>One day the princess won the lottery. On her way to the dragon's house she met a knight called George. He hurried to the dragon and used his sword to kill it.</p>	<p>7</p> <p>A beautiful red rose grew from the dragon's blood. George gave it to the princess. George later became a Saint and his symbol is the red rose.</p> <p>The End</p>
