Home Deliveries

Ideas to develop if possible

- Topic – Home delivery services
- Brainstorm all the products you can have delivered to your door
- Get some images (and/or slogans) like the one above to motivate and help with vocabulary and ideas
- Explore a website, a leaflet or something alike so that students understand what a certain delivery service is about
- Have students read a blog, for example, where consumers comment on the service either in a positive or negative way
- Have students write an e-mail or letter of complaint about a service they were not happy with
- Have students produce a dialogue (possibly on the phone) ordering a meal, groceries, etc.

Topic – English breakfast

- Students talk about the picture to make the connection with the traditional English breakfast, which might be different from the one they are used to
- They can also comment on Somerset Maugham's quote

- A song or a film scene can be introduced here (like the scene 'I want breakfast' from the film Falling Down at <http://www.youtube.com/watch?v=M1XjizLfxIE> - note there might be some violence issues here)
