## Relaxation

Lie down on the floor.

Breathe in. Breathe out.

[Repeat x2]

Close your eyes.

Imagine you are on a cloud. A big, white, fluffy cloud.

Now the cloud is going up, up, up into the sky.

You're floating in the sky on the big, white, fluffy cloud.

Now you see a rainbow. Look at all the colours.

First imagine the colour red. Can you see the red of the rainbow?

You can feel the red of the rainbow on your head, your arms and your hands. You can feel the red on your body, your legs and your feet. The red feels very warm. Breathe in and breathe out.

Now imagine the colour orange. Can you see the orange of the rainbow?

You can feel the orange of the rainbow on your head, your arms and your hands. You can feel the orange on your body, your legs and your feet. The orange feels very warm. Breathe in and breathe out.

[Repeat with yellow, green, blue, purple.]

Now, slowly, the rainbow disappears. The cloud is going down, down, down.

Slowly move your fingers, move your hands, move your legs and move your feet.

Turn your head from side to side.

Breathe in, breathe out and open your eyes.

When you're ready, sit up.
