How to make a snowflake

1. Start by making the paper into a square.
   a) fold  
   b) cut  
   c)  

2. Follow the instructions to fold the paper into a triangle.
   - fold the paper into a triangle
   - fold the left corner at the centre
   - fold the right side

3. Choose a design. Draw it on your folded paper with a pencil. Carefully cut out the design. Open the paper to see your snowflake.
   - Option 1
   - Option 2
   - Option 3
   - don't cut here!
   - cut here

4. Can you make your own snowflake design?
