Visual poem

Key

This is the key.
The mystery key. The key to what?
I'm not Quite sure.
I wonder what this key is for?
Let me see... Could it be:

The key
to the door
of a
treasure
store?
The key
to a lid
where things
lie hid?
A secret
box with
magic locks?
The key
to a
cupboard,
a closet,
a drawer?
I wonder
what
this key is for? When I find it
I'll unlock it, but meanwhile
keep
this key
in my
pocket.
