# Teacher's notes

## BINGO!

**Language:** Mum, LRRH, Grandma, wolf, woodcutter, basket, cake, wood, flower, cottage, bed, teeth, ears, eyes

**Resources:** Bingo cards for children, teacher's bingo card, (story flashcards for the words above, bag)

- Tell your children you're going to play 'Bingo!' Elicit the rules and aims of the game.
- Call out a word from the Teacher's bingo card. If the children have the object on their bingo card, they cross it off. The first child to cross off all 6 items shouts, "Bingo!" Alternatively, hide the relevant story flashcards in a bag. Draw them out one by one.
- As a follow-up activity, ask your children to write down 6 words from the story on a blank bingo grid. This time, show them the pictures one by one. The children read and cross off the words on their cards.
