As different as chalk and cheese

Here are the pairs your teacher dictated

1. Men and women
2. Love and hate
3. Love and money
4. Black and white
5. Whisky and water

Complete the word pairs below with your ideas

6. Fire and ______________
7. Seas and ______________
8. Mountains and __________

Invent one more pair and also write down one you like from the class

9. __________ and __________
10. __________ and __________

Now write sentences comparing the things in each pair, for example:

Men are stronger than women
Women are more sensitive than men
