

**Dialogue 2: Husband and wife.**

Wife: Hello darling! Did you have a good day today?

Husband: It was okay.

Wife: Would you like a drink?

Husband: No thanks, I'm not thirsty.

Wife: Dinner will be ready at six. Are you hungry?

Husband: Not really.

Wife: Oh. Did you pick up the suits from the cleaners?

Husband: Yes I did.

Wife: Good. Are you going to the pub tonight?

Husband: Yes. I'll be back at the same time as usual.
