And as I was green and carefree, famous among the <b>barns</b>	b
And nightly under the simple <b>stars</b>	d
Now as I was young and easy under the <b>apple</b> boughs	a
Out of the whinnying green <b>stable</b>	b
In the <b>moon</b> that is always rising,	d
In the <b>sun</b> that is <b>young</b> once only,	c
And honoured among wagons I was prince of the <b>apple</b> towns	a
My wishes raced through the <b>house</b> high <b>hay</b>	b
The night above the dingle <b>starry</b> ,	d
All the <b>sun</b> long it was running	c
Under the new made <b>clouds</b> and happy as the heart was long	b
And the <b>sun</b> grew round that very day.	c

**Task 4 – Key**

- Now as I was young and easy under the apple boughs
- The night above the dingle starry,
- And honoured among wagons I was prince of the apple towns
- And as I was green and carefree, famous among the barns
- In the sun that is young once only,
- All the sun long it was running
- And nightly under the simple stars
- And the sun grew round that very day
- Out of the whinnying green stable
- Under the new made clouds and happy as the heart was long
- My wishes raced through the house high hay
- In the moon that is always rising,
