

**BREAK UP**

**F1:** Sarah? It's Jenny here. I'm sorry to call you so late but I just had to talk to someone. I'm so upset. Paul came round this evening. He said he had something to tell me. I thought he was going to tell me about the new job he went up for on Tuesday? I thought it was going to be good news. But it wasn't that. He came round to... to tell me that he didn't think things were working out between us! And that he thought we should stop seeing each other! I was so shocked. I didn't know what to say. I mean, I really *like* Paul, you know what I mean? So I just stood there like an idiot and said something like 'Well, if that's how you feel,' and he was gone! He obviously felt very embarrassed and wanted to get away as quickly as possible. But it was so *brutal*. I mean, I thought we had a future together, and now this! What do you think I should do? Should I call him?
