

**CROSS-CURRICULAR – ARTS & CRAFTS – 1**  
**ANIMAL MASKS**

**Teacher's Notes**

**Language:** instructions to make a mask

**Materials:** paper plates, string, scissors, (or a craft knife), masks already made

1. Give each child a paper plate and some string. If children are very young, cut the holes for the string and the eyes for them.
2. Give each child an animal and ask them to draw the face.

You may want to ask the Arts & Crafts teacher for help with this activity.

To help children's imagination, you may want to show them some examples, like the ones below:
