

## Future learning

## worksheet 1

**1. Read these sentences to your partner and draw them:**

The boy is sitting at a school desk.  
There's a mobile phone on the desk on the left.

**2. Listen to your partner and draw what they say.**

**3. Read these sentences to your partner and draw them:**

Also, on the right of the room, next to the boy and in front of the window, there are two trees.  
One is an apple tree and the other is a cherry tree. They're real trees growing inside!

**4. Listen to your partner and draw what they say.**

**5. Read these sentences to your partner and draw them:**

On the left of the lunch window, there's another window to the outside.  
You can see a girl coming to school on a flying board.

**6. Listen to your partner and draw what they say.**

**7. Read these sentences to your partner and draw them:**

Finally, between the two desks there's a small robot.  
It's got a round body, like a bucket, and a round head too, like half an orange!  
It's also got two arms and two legs.

**8. Listen to your partner and draw what they say.**
