worksheet 2

1. Listen to your partner and draw what they say.

2. Read these sentences to your partner and draw them:

Next to the class rules poster on the right, there's a window.
Outside the window there's a flying school bus!

3. Listen to your partner and draw what they say.

4. Read these sentences to your partner and draw them:

Look at the class rules poster on the wall again. Next to the poster on the left, there's another window.

But this is not a window to the outside, this is a special window for a lunch-making machine!

You can see a robot arm coming down that's making a sandwich and another robot arm that's making a drink.

5. Listen to your partner and draw what they say.

6. Read these sentences to your partner and draw them:

Under that window, on the left of the room, there's another desk.
It also has a tablet on it.

7. Listen to your partner and draw what they say.

8. Read these sentences to your partner and draw them:

The robot's holding a watering can. I think it's going to water the trees.
