Holidays

Talk about the holiday!

Say your sentences and listen to your classmates.

If you hear a sentence the same as one of yours, say *Me, too!* or *I … too!*

If you have a sentence the same as someone, write their name next to your sentence.

You can write someone’s name only once!
Homework

Think about our ideas for our ‘class holiday’ last year and choose some of them.

At the end of the holiday, you sent a postcard to a friend.

Write the postcard! Say what you did on each day of the holiday.
