

# The Wolf's Tale

Louise Cooper

## Post Reading

Write and have fun!

1. You are writing a mystery story about werewolves. You meet the werewolf who was once Little Red Riding Hood's Granny. Make a list of the questions you would ask it.
2. Suppose you are Little Red Riding Hood. You have just met the werewolf and think there's something strange about it that reminds you of your Granny. Tell your Mum what happened and what you think.
3. Louise Cooper's 'Wolf Story' looks at the traditional story 'Little Red Riding Hood' in a new way. Why don't you and your friends have a try at transforming a fairy tale too?

Here are some suggestions:

- What would happen if Cinderella did not lose her shoe on the way out of the ball? Write the story.
  - Suppose Little Red Riding Hood meets Robin Hood in the woods. Write the dialogue.
  - What advice would Snow White give Little Red Riding Hood?
4. Listen to Roald Dahl's version of 'Little Red Riding Hood' and then write five words to describe Little Red in this story:

.....  
.....  
.....  
.....  
.....

Now set the poem to music!
